

Dear Power Sources Community:

Due to ongoing health concerns caused by COVID-19, the Power Sources Organizing Committee has decided not to hold the 49th Power Sources Conference scheduled for June 7-10, 2021, at the Sawgrass Marriott Golf Resort & Spa in Jacksonville, FL. We will be rescheduling the conference to June 20-23, 2022, at the same location.

We know that you will have questions about your registration fees and ask for your patience. We will be in touch as soon as possible with options for refunds and rollovers of fees.

We would like to thank you for your interest in the Power Sources Conference and for your patience and support during these difficult times. Stay safe and healthy, and we look forward to seeing you soon.

Sincerely,
Power Sources Organizing Committee
