

50th POWER SOURCES CONFERENCE

MGM National Harbor Hotel, Oxon Hill, MD

June 23 - 26, 2025

CALL FOR PAPERS

The 50th Power Sources Conference focuses on energy generation and storage technology which is of interest to the DoD, other government agencies, and the civilian marketplace. PSC 2025 is seeking papers & presentations on relevant contributions on materials, mechanisms, and power systems, in addition to contributions on prototype development, manufacturing technology, device and system engineering, and economic and environmental considerations. Both oral and poster presentations are invited. Session topics include but are not limited to the following:

- **Advanced Materials and Processes**
- **Auxiliary Power Units**
- **Batteries (Primary & Secondary)**
- **Battery Electrolytes and Interfaces**
- **Battery Safety / Quality /Testing**
- **Digital Engineering for Power Architecture**
- **Emerging P&E Technologies**
- **Energy Conversion (Nuclear, Solar, Electrochemical, Electromechanical, etc.)**
- **Fuel Cells, Fuel Processing, and Storage**
- **Ground Vehicle Hybridization and Electrification**
- **Hybrid Power Systems**
- **Microgrids, Large Scale Energy Storage for Installation Resilience**
- **Modelling & Simulation of Power Sources (including environmental impacts)**
- **Platform Power Systems**
- **Power Management, BMS, Power Distribution**
- **Supply Chain Resiliency**
- **Thermal Management**
- **Tactical Charging**
- **Uninterrupted Power Supplies**

DEADLINE FOR ABSTRACT SUBMISSION: December 20, 2024

Abstracts must not exceed one page and should include title, author(s), affiliation, complete mailing address, telephone number, and e-mail address. One additional page of figures may be included. The abstract must clearly state the purpose of the work and the specific technology advancement, and must highlight results that have been obtained and the subsequent impact of the work. Authors should indicate the session topic that most closely relates to their abstract and indicate if they request an oral or poster presentation.

Abstracts can be submitted on the conference web site at <https://www.scomminc.com/pcm/powersources/powersources.cfm>

Authors of papers selected for presentation will be notified via email by March 23, 2025. Accepted authors will be required to prepare an approximately 2000-word 4-page (including figures) camera-ready paper for inclusion in the proceedings to be distributed at the conference. The deadline for submission of papers will be April 25, 2025. Please note that it is the author's responsibility to obtain all required clearances. Administrative matters should be addressed to Mari Ramirez, Palisades Convention Management, Inc., 411 Lafayette St., NY, NY 10003; mramirez@pcm411.com.
